WHY US?

LARGE INVENTORY

From small backyard parties to large public events, home renovation to industrial job sites, our extensive inventory means we are equipped to support all your events. Our reliability, commitment to service, and flexibility has also made us a preferred choice.

CONSTRUCTION SITES

Tomlinson's portable toilets are a #1 choice for construction sites. Our large inventory includes basic, ministry approved, and single heated units. Upgrade to our portable toilet trailers to provide the comfort of home for outdoor construction sites. Plus, stay warm in all weather with our insulated unit covers.

SPECIAL EVENTS

Tomlinson's portable toilet rentals are an excellent choice for weddings, parties, corporate events and non-profit events. We have a large stock of basic & luxury portable toilets for rental to meet the needs of every event.

Our portable washroom trailers are heated, air-conditioned, spacious, and well lit - ideal for outdoor weddings or winter events.
