SIGNING INTO TREAD - WEB

A screenshot of the Tread web application's sign-in interface. The form is white and centered on a dark background with a repeating geometric pattern. At the top is the Tread logo. Below it is the text "Sign In". There are two main sections: "Email" and "Phone". The "Email" section has a text input field containing "myemail@email.com" and a yellow button labeled "Continue with email". Below this is a horizontal line with the text "OR" in the center. The "Phone" section has a text input field containing "+2505558874" and a grey button labeled "Send SMS login code". A red rectangular box highlights the phone number input field and the "Send SMS login code" button. A red arrow points from the text "Sign in with mobile number." to the phone number input field. At the bottom of the form is the copyright notice "Copyright © Tread 2024." and a purple circular icon with a white speech bubble.

Sign in with mobile number.

Map view showing the location of the truck (7895 - 658777) on a street map. A purple dashed arrow points from the 'At Pickup' status in the table to the truck's location on the map.

START, PAUSE, RESUME & STOP

DRIVER ACCEPT
JOBS .

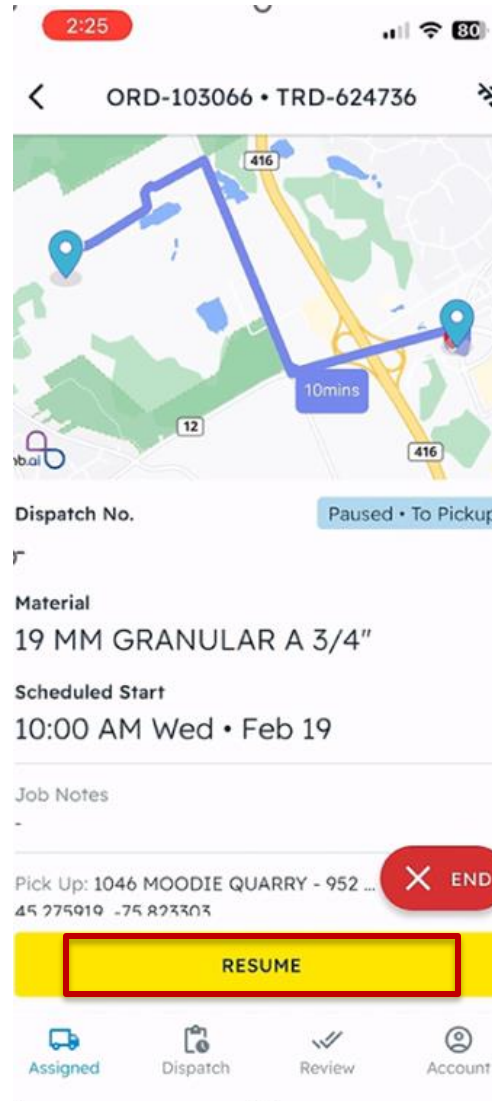

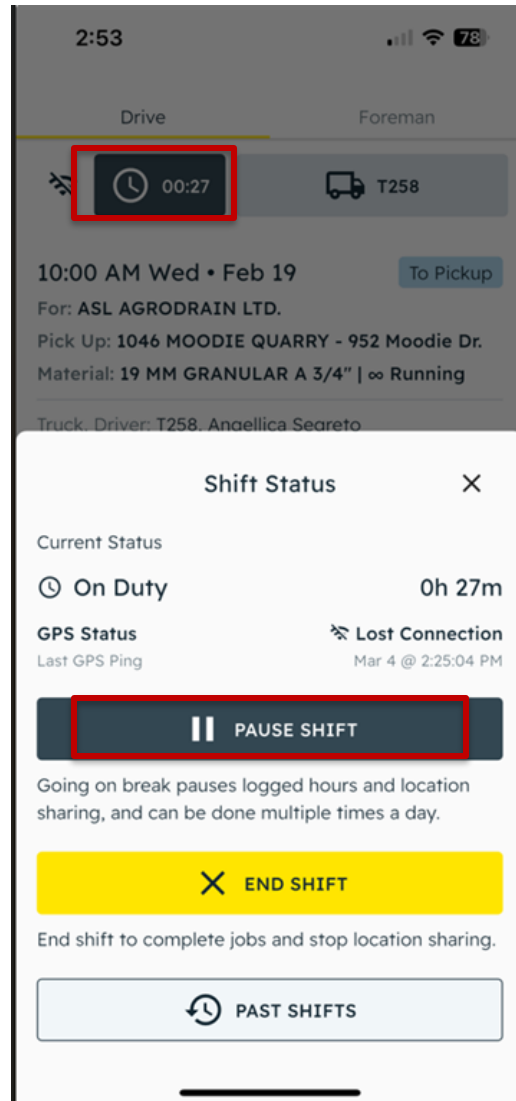

DRIVER START
THE JOB.

Commonly Asked Questions:

- Why is it important the driver **starts** the job?
- What if I ask my driver to **start earlier** or **later**?
- What if my driver is **late** to site?

Foreman are still responsible to adjust driver's hours

START, PAUSE, RESUME & STOP

Commonly Asked Questions:

- When is it ok to have a truck **pause** a job?
- What does the **pause button** do?
- What happens if the driver forgets to **resume** a job?
